The unit is supplied with the drawers installed (fig. 1). Before installation, remove the drawers from their guides as shown in fig. 2. Once the drawers have been removed, the unit will be ready for the next installation steps (fig. 3).

L'unità viene fornita con i cassetti già installati (fig. 1). Prima dell'installazione, rimuovere i cassetti dalle guide come mostrato in fig. 2. Una volta rimossi i cassetti, l'unità sarà pronta per le fasi successive dell'installazione (fig. 3).

WALL FIXING SYSTEM — SISTEMA DI FISSAGGIO A PARETE

Just for the wall-mounted version — solo per la versione a parete

4

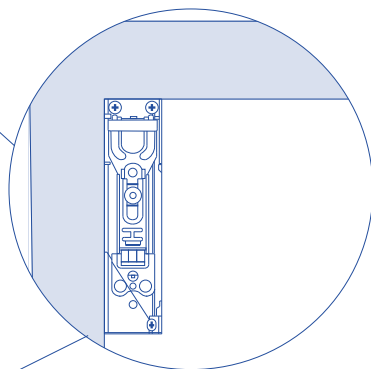

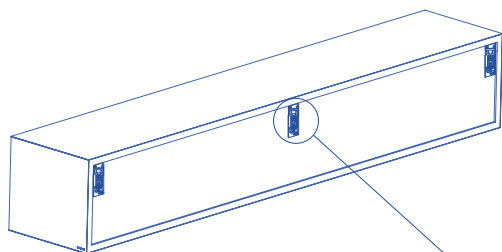

Attach the wall bracket (fig. 4) using the fixing method most suitable for the type of wall. De Castelli is not responsible for any damage or malfunction resulting from improper installation. The installation height depends on the desired final position of the unit.

Fissare la staffa a parete (fig. 4) utilizzando il sistema di fissaggio più adatto al tipo di parete. De Castelli non è responsabile per eventuali danni o malfunzionamenti derivanti da un fissaggio non corretto. L'altezza di installazione dipende dalla posizione finale desiderata dell'unità.
